## Purpose

This cover sheet accompanies the training track record workbook and evidence files required for SSG OR Stage 1.

## SSG Track Record Requirements Reflected in This Pack

- At least one-year training and education track record.
- Regular conduct of training, at least once in each quarter of the preceding year.
- Course title, duration, course commencement and end dates, and age profile of trainees for each run.
- Evidence of actual training activities, such as invoices, attendance records, course confirmation communications and recordings for online training.
- Evidence of course objectives, structured lesson plans, assessment plans, industry engagement and learner feedback analysis.

## Client Completion Note

The source invoice does not contain Skills Union's historic training runs. Complete the workbook with actual completed training activities and attach source evidence before submission.
